Reddam House, Bearwood offers high-quality education and care to children aged from 3 months to 18 years through our Nursery (3 months to 5 years), Pre-Prep (age 4–7), Prep (age 7–11) and Senior (age 11–18) Departments. With day pupils throughout the College and boarders from age 11 to 18, we are proud to engage each child in a wide range of experiences both in and beyond the classroom. Our expectations for effort, industry and achievement are high. Our focus is on personal success. Bearwood is a place where individuals thrive.

Aims and ethos

We aim to provide:

- a stimulating curriculum that offers choice, breadth and depth across a wide range of academic and vocational disciplines to equip our pupils with the skills and knowledge required for progression to higher education and/or employment
- a spirit of enquiry and self-motivation supported by a sense of responsibility and sound habits of learning
- the necessary practical, creative and enterprise skills required for lifelong learning and active citizenship.

Academic excellence

The academic curriculum is based on and exceeds the requirements of the National Curriculum. Teaching, by a qualified staff of dedicated specialists, is broad and stimulating; learning is fun and imaginative. We are proud of the exceptional attention afforded to individuals by small teaching groups,

the careful monitoring of progress, co-ordinated pastoral support and a close working partnership with parents.

Games and activities

We offer well over 100 different sports, games and activities through a full programme that ensures all pupils have the opportunity to exercise a spirit of fair play and competition. Pupils are encouraged to participate in a wide range of pursuits, as well as to excel in areas where they have special expertise.

Facilities

Founded in 1827, Bearwood's beautiful wooded 125-acre estate offers extensive facilities. A fully equipped photographic and video editing suite, several sports pitches, a swimming pool, tennis and squash courts, weight training room, motor vehicle engineering workshop and rifle range are found adjacent to the Mansion House. The splendid surroundings of the wider campus offer access to two golf courses, a 50-acre lake and a well-equipped boathouse, riding stables, and woodlands with an obstacle course, a fitness trail and a mountain bike course.

You cannot get lost in the crowd at Bearwood. Each individual's talents are recognised and nurtured, so everyone can find their own special areas of success.
