Bishop's Stortford College is one of the UK's top-performing independent co-educational schools. It is large enough to provide an exceptional range of opportunities, yet small enough for individuals to feel known and valued. The College is blessed with a beautifully peaceful, spacious and safe setting, close to the countryside yet within walking distance of the market town centre. There is easy access by air, road or rail, and full advantage is taken of our close proximity to London and Cambridge.

An appetite for learning

Small classes and our focus on the individual mean that every pupil receives the time and attention to develop the confidence and desire to learn. Every pupil is encouraged, taught and challenged to achieve his or her best across a broad curriculum. Recent achievements at A-level have ranked Bishop's Stortford College as a top 10 co-educational boarding school and a top 100 independent school in the UK.

Joy in breadth and balance

Whilst academic study is our priority, we believe passionately in the value of an all-round education, and, to this end, life at Bishop's Stortford College is packed with opportunities outside the classroom. The diversity of choice is exceptional. Our dynamic and innovative centres for music, art and drama are highly regarded, and we enjoy a successful record in sport at regional and national level.

Three schools in one

Our Pre-Prep and Prep School offer day schooling for pupils from 4 years of age, and day and boarding for those between 7 and 13 years. Each has its own distinctive learning environments, but, as part of the wider school community sharing the same campus and ethos, they offer a greater range of facilities, teaching resources and opportunities than is typical of most schools for these age groups. Pupils are well prepared for entry into Senior School at 13+, ensuring a smooth transition.

A home away from home

Belonging to one of our Stortford houses is a major part of life for all Senior School pupils and Prep School boarders. Each house has an incredibly strong sense of community, with an emphasis on co-operation, responsibility, independence and mutual respect. The diversity of backgrounds and nationalities expands horizons and enriches all those within the College community.

Building confidence for life.
