## The School

Bournemouth Collegiate School (BCS) is situated five minutes from the town centre, above the beach. The School has excellent grounds and facilities, situated in an affluent housing suburb. The outstanding all-round education provided has enabled the School to achieve success in sport (including Sports Academy), performing arts, music and art. Boarding accommodation has recently been refurbished and the boarders have an extensive evening and weekend activity programme. 80% of the students are British, while the remaining students come from many different countries worldwide. We thrive on a truly international school community that is vibrant, caring and supportive. The School offers strong teaching for students with English as an additional language, and a dedicated pastoral support network for international students. We offer ESOL and IELTS courses to prepare students for university worldwide.

## Sports Academy

Many international coaches and ex-players work in our Sports Academy. We offer a diverse choice of sporting opportunities including football, basketball, badminton, swimming, volleyball, tennis, hockey and athletics. See our website for further details.

## All-round education

The School's extracurricular activities, weekday and weekend boarding activities are extensive. Performing arts and music are strong departments with a host of performances, while the School has dynamic art and technology departments.

## University success

The outstanding education provided produces significant academic success: 100% first choice university entry, with 25% entry to Russell Group universities. One in three of all grades at GCSE and A-level are A\*/A. The one-year IGCSE course/Pre-IB course regularly achieves over 50% A\*/A grades.

## The individual matters

Every pupil, every boarder, every parent and every member of staff is valued as an individual and as a member of our BCS family. Nothing is too much trouble for us. The interests of everyone are our top priority. The School is renowned for a caring, relaxed and friendly atmosphere, with an excellent work ethic.

The School stands by its philosophy: 'The Best in Everyone'.

## Location

Next to the beach; 5 minutes from Bournemouth; less than 30 minutes from Bournemouth and Southampton Airports; less than 90 minutes to Heathrow and London; direct fast train to London; easy access by major roads.

**Welcome to our own holiday house by the beach.**

A Year 9 boarder
