studyabroad\_sjc

Since 1985 Cambridge School of Visual & Performing Arts has been a specialist foundation school, providing pathways in art & design, drama and music. Over time we have grown our portfolio to include degree and pre-master's programmes for UK and international students. In the last 25 years we have given students the opportunities to develop their skills, build their confidence and progress onto some of the most prestigious art & design schools, music conservatoires and world-renowned drama schools.

Our programmes include links with the University of the Arts London Awarding Body, Kingston University and Britain's most famous theatre school, the Royal Academy of Dramatic Art.

## About the School

Our approach to creative learning is unique, highly personalised and guaranteed to ensure you meet your potential. We treat every student as an individual, not just as 'this year's intake'. Our class sizes are much smaller than at most universities, with five days a week teaching and personal contact with your lecturer every day. We always encourage our students to come in at any time to work, discuss or simply enjoy the relaxed, creative and multicultural environment of the college.

## University links

We have links with some of the UK's most prestigious institutions:

- University of the Arts London (UAL) Awarding Body
- Royal Academy of Dramatic Art (RADA)
- Kingston University

## Location

CSVPA is located in Cambridge, one of the world's greatest cities which has recently celebrated over 800 years of history. This world-famous university

city boasts magnificent architecture, with plenty of parks and unspoilt countryside close by. It is a safe and welcoming city with a large student community representing many nationalities.

## Facilities

We offer specialist workshops including 3D (woodwork, metal and plastic), digital media and Mac suites, photographic darkrooms, sound recording, as well as tailored studio spaces for fashion, fine art, life drawing, casting, photography, graphics and illustration, make-up, craft, textiles, drama and music. CSVPA is open seven days a week, 12 hours a day, providing a state-of-the-art learning environment and individual workspace for every student.

## Accommodation

Accommodation is provided for all years of study. Our accommodation is located in safe, beautiful surroundings and provides a comfortable, well-equipped living space. With the different options available we offer a balance between supervision and independence. We offer a range of halls of residence for different age groups, the majority of which are single en-suite. All residences for students are within a short walk or bus journey of the College and City Centre. We try to ensure that students live with other students of a similar age, and all our over-18s are housed separately.

*One of the UK's leading providers of Art & Design, Drama and Music pathway and degree programme*
