Pupils excelling

We excel with able and average ability pupils. Our record for enabling significant improvement in grades, achievement on the sports field and stage, and growth in all-round confidence, is superb.

We run an academic society, Octagon. The seven brightest pupils from each year group sit with the master in charge and are challenged with extended studies, visits to public lectures, involvement in debates, etc. These pupils are expected to achieve outstanding results and go on to top universities.

Superb sporting facilities

The School's sporting facilities are superb and include: a leisure complex incorporating a pool, fitness suite and dance & drama studio; huge floodlit AstroTurf area; tennis and netball courts; sports hall; various grass pitches and athletics track; renowned assault course.

Beautiful 96-acre site

Kingham Hill School is situated on a beautiful 96-acre site in rolling Cotswold countryside. Oxford is just 24 miles away, Stratford-upon-Avon 25 miles, and London 1 hour 20 minutes by train.
