## A new school with a revered past

Lincoln Minster School was inaugurated in 1996 in Lincoln's magnificent cathedral. As a member of the prestigious United Learning group, which owns and manages 51 independent schools and academies in the UK, Lincoln Minster School has seen exponential growth, fuelled by a focus on high-quality teaching and learning as well as on excellent pastoral care. The School's numbers have almost trebled in the intervening years, but the underlying ethos – a determination to bring out 'the best in everyone' – endures as its raison d'être.

## Outstanding opportunities

Close links with the cathedral as well as the enthusiastic pursuit of excellence lie behind the School's growing reputation for music. Pupils don't have to be gifted musicians to attend Lincoln Minster School – although a range of scholarships and bursaries are in place to facilitate access for such youngsters – but few can escape the sense of awe and wonder which surrounds the many achievements of so many of its pupils;

indeed the ethos of personal achievement is contagious. 'The best in everyone' is the mission – and the School 'really means it', according to parents.

Alongside outstanding opportunities in music, pupils are encouraged to surpass expectations whether in academic areas, sport, enterprise, the performing arts or in the many exciting avenues for personal development.

## Location and facilities

Lincoln Minster School is situated in the historic heart of a beautiful city. With the School enjoying a close partnership with the University, pupils from abroad benefit from the guarantee of a pathway to higher education, subject to satisfactory academic performance.

Significant investment has resulted in stunning facilities, including The Prior Building with a superb Sixth Form Centre, as well as a suite of science laboratories, music studios, classrooms and excellent ICT provision. The newly opened £10m Music and Sports Centre and redeveloped and extended Prep School can only enhance the already impressive achievements and enthusiasms of this community. Properties adjacent to the Senior School have also been purchased, including a mansion house set in mature grounds, which increased boarding capacity and enabled the School to open its doors worldwide.

*Outstanding opportunities to bring out 'the best in everyone' in one of the UK's finest cathedral cities.*
