Sedbergh School

Established in 1525, the School is located in an area of outstanding beauty in the small, safe but vibrant market town of Sedbergh. It is one of the few remaining full boarding schools in the UK with 97% of pupils boarding seven days a week. The School continues to operate the traditional boarding house system with resident Housemasters and Housemistresses, Tutors and Matrons, thus ensuring genuine 24/7 pastoral care and an outstanding educational experience. The School has retained its traditional values and ethos, providing an all-round education whilst facing the demands of the 21st century in terms of excellent teaching, facilities and an extensive extracurricular programme.

Sedbergh School operates a bespoke series of summer courses in a range of sports and activities and a first-class International Summer School.

Casterton, Sedbergh Preparatory School

The Preparatory School is located in the nearby village of Casterton, a 15-minute drive from Sedbergh. It provides a first-rate education for boys and girls from age 4, and offers day, weekly and full boarding from the age of 8. With Saturday morning school and a full range of weekend activities, all taking place in truly outstanding facilities, boarders have many opportunities to develop and pursue a wide sphere of interests. Pupils enter Sedbergh School at the age of 13.

Both Schools benefit from excellent road and rail links, with Manchester and Liverpool International Airports only 90 minutes away.

Academic and sporting achievements

Pupils benefit from a meticulous tutoring system alongside first-class teaching, resulting in almost 100% pass rates at A-level and IGCSE. Pupils can expect to

go on to the university of their choice, and entry to Oxbridge and other Russell Group universities continues to be strong.

Sedbergh offers a wide range of opportunities beyond the classroom, and provides a happy and caring environment for all its pupils, whether their achievements are academic, sporting, musical or artistic. It has an enviable reputation for music, drama, outdoor pursuits (making the most of the stunning location), and sport.

Scholarships and awards

Scholarships are available at 7+, 9+, 11+, 13+ and 16+ for academic and all-round excellence, as well as recognising outstanding talent in music, sport, drama, and design and technology.

Information

Parents are very welcome to visit the Schools at any time by arrangement. For further information visit the website, or telephone the School.
