Stover School is a unique and very special place; a school which delivers cutting-edge education while retaining a healthy focus on traditional Christian morals, values and manners. Happy children are at the very centre of our ethos, reflecting our robust system of pastoral care. Children who feel safe, valued and respected, and who trust those around them, are free to focus on learning to their maximum potential. Our stunning rural setting allows children to enjoy being children and is integral to enhancing this ethos.

The co-educational, non-selective environment we provide models 'real life', allowing pupils to build the interpersonal skills, empathy, independence and fortitude required to be successful in the wider world.

In this school, the family atmosphere ensures that every child is known and understood by the staff and their fellow pupils, as an individual who has something to offer the school community and the world at large. This individual approach is reflected in our absolute focus on adding value to the academic potential of each pupil in an effort to maximise their individual educational and examination outcomes, regardless of their ability.

We firmly believe that success breeds success and our extensive additional curriculum and activities programme provides opportunities for all of our children to explore a range of interests and enjoy positive

experiences, leading to a burgeoning self-confidence that then reaps rewards and enhances progress in all areas of the academic and additional curriculum.

At Stover School we take full advantage of our single campus for pupils from 3 to 18 years of age. The Prep and Senior stages are fully integrated, with a number of staff working across both phases. We also provide a number of structured roles and responsibilities which allow the older pupils to work with the younger ages. This enhances the Stover family, gives the older pupils the responsibility they need to grow and enables the younger pupils to aspire to these role models.

The Inspection team who visited in January 2014 have firmly endorsed this, giving us a set of judgements that no other independent school in the area can rival. However, we are not going to rest on our laurels. We have launched a Research Based Learning Curriculum across the entire school; our Sixth Form are enjoying a change of location, in a fully refurbished Sixth Form Centre; all of our pupils will benefit from the 'bring your own' ICT infrastructure that will best model ICT usage in the work-place; and the first vegetable beds and animals will arrive onto the site to kick-start our Stover School Farm.

Teachers encourage pupils to be researchers, discoverers and creators of their own and others' learning.

Mr Richard Notman, Executive Head Teacher

Key facts

Type of school Co-educational boarding 8-18 and day 3-18

Age range 3-18

Number of pupils 440

Number of boarders 80

Teacher/pupil ratio 1:12

Religious tradition Christian

Fees per term Full boarding £6,190-£8,350;

Weekly boarding £5,350-£7,080; Day £2,520-£4,080

ISC association SofH

Affiliations AEGIS, BSA
